Magic In The Making

Magic in the Making — a theme only for Pearl River Community College students, faculty and staffs. The theme illustrates not only the potential of the students, but also what it takes to get there — magic. This is no ordinary magic, but instead a magic that can only be set by those at Pearl River. This magic is where it all begins. It opens the doors for many opportunities in life. These opportunities, jobs, careers, and many others, are ones that can be experienced now and in the future. The yearbook staff tried to illustrate how Pearl River is making "magic" by highlighting student life on campus, and student participation in organizations and sports. These highlights only feature a part of student life, campus style. But continued sharing in the "Magic Making" at Pearl River can become an important asset that is valuable for the rest of our life.

To the right are the winners of the Womanless Beauty Pageant. Ashley Eades, seated, won first place. Below, a group of students gathered for a photo in front of Marion Hall. At the lower left, Don Hunter a freshman from Bay St. Louis, worked out in the gym weight room. At the lower right, Amy Lee and Rebecca Fleming performed with PRC's band at the Homecoming game.

Tornado Passes Through Campus

On the morning of December 3, 1990, PRC students were awakened by the noises associated with bad weather but little did they know that a tornado would soon pass right through campus. That is exactly what happened about 5:45 a.m. Monday.

The tornado cut a path of destruction through north Pearl River County and the city of Poplarville, damaging several buildings and snapping giant oak and pine trees.

According to the weather officials, the tornadoes touched down in the Bogalusa area and skipped across the northern section of the county before hitting the Marvin R. White Coliseum on the Pearl River campus.

Skipping over two new dormitories and the technology center, the twister peeled off most of the west side of the huge coliseum. Two and three ton air-conditioning units were lifted from their steel bases and concrete slabs were rearranged, leaving gaping holes through the roof to the floor below.

College officials said one Lady Wildcat softball dugout was demolished and a long stretch of the Wildcat baseball diamond outfield fence was blown down. Poles used for lighting the baseball diamond were noticeably swaying.

Estimated damage to the coliseum alone is set at $250,000. Minor damage to 13 other campus buildings was also reported.

At the top of the page is a photo of the roofing on the west side of the coliseum, which was peeled away by the tornado. In the background are the two new dormitories. No major damage was reported to them. The bottom picture shows the Lady Wildcat softball dugout which was demolished.

Above, the PRC weight room, which had been carpeted recently by the Wildcat Club, was under several inches of water. To the left, President Ted Alexander viewed the air-conditioning unit on the coliseum, which was moved from its steel plate.

Food And Fun For All

To the right, Chari Thomas, a sophomore elementary education major from Bay St. Louis and Scott Dease, a sophomore nursing major from Columbia sampled the food at the Fall Fest. Hamburgers, hot dogs, cookies and cake were among the various foods offered at the event. Below, Seth Williams, a sophomore political science major from Poplarville, relaxed with a diet Coke while he enjoyed the music. To the lower right, the crowd enjoyed the entertainment.

At the top, students enjoyed the food and entertainment at the festival. Above, two PRC students got a Coke from the temporary ice chest. Both Cokes and diet Cokes were offered to the students. To the right, students served themselves as they went through the line.

PRC Homecoming 1990

River Community College's 1990 Homecoming will be remembered as a very special day. Two former students were named Alumni of the Year; four were inducted into the Sports Hall of Fame and hundreds returned for the annual alumni luncheon and afternoon football game.

Henry L. Thomas, a native of Poplarville and resident of Hattiesburg and Anne Dandridge of Poplarville were named Alumni of the Year.

Inducted into the PRC Sports Hall of Fame were Robert "Buddy" Madison of Slidell, LaRue Saulters of Prentiss, Lonnie Anderson of Kake, Alaska and Alton Shell of Americus, Georgia.

At the top, the court cheered the Wildcats on as they moved toward the goal line. Above is the Phi Beta Lamda display which won first place. To the right, Heidi Austin, the Homecoming Queen, was all smiles as she watched the game.

At the top of the page, Heidi Austin was crowned as PCR's 1990 Homecoming Queen by Dr. Ted J. Alexander as her father and Berlon Lee (right) look on. To the left, sophomores Nicole Wells from Poplarville and Sissy Byrd from Angie, La. performed with the Pearls during halftime. Above, is the 1990 Homecoming Court.

MAGIC IN STUDENT

THE MAKING

Student Life at the River

The purpose of the Student Life section is to show the various activities the students participated in throughout the fall and spring semesters.

In this section, the Wildcat Staff has attempted to highlight some of those activities and the students who make the magic at the River.

Photo by Robin Seal

To the right, two students discussed a test they had just taken. Below, two PRC students enjoyed relaxing with a good magazine in the college library. To the bottom right, Brenda Stogner and a friend stroll across campus to their next class.

PRC began the fall semester of 1990 with the addition of two new dorms, bringing the total number of girls dorms to three and the amount of guys dorms to four.

The girl's dorms included Marion Hall, White Hall, and the New Girls Dorm; while the guy's dorms included Pearl River Hall, Huff Hall, Lamar Hall, and the New Guys Dorm.

Each dorm was "home away from home" for students coming from in and out of the state of Mississippi. Life in the dorms was an experience for everyone. The dorms each had their own unique personality about them. Although the students had different likes and dislikes, everyone met new friends and shared new experiences.

Who's

By Muriel Everton

Pearl River Community College announced the students selected to the 1991 "Who's Who in American Community Colleges." The national publication recognizes outstanding students each year.

The honor is awarded to second year students with high scholastic standing, service to the community, leadership in extracurricular activities, and future potential, according to Dr. Miller Hammill, dean of student affairs.

This year 50 students were chosen based on a quota assessed by Who's Who. Students represented the academic, technical and vocational areas and were selected by a faculty committee. Those selected were:

Poplarville — Brian G. Amacker, Michelle L. Amacker, Laurie B. Batson, Susan J. Duffy, Norman W. Grant, Harell E. Hemphill, Jeannie L. Henry, Larry S. Kimball, Dana J. Knippers, Stacey R. Lott, Julie L. Morris, Charles M. Reid, Peggy J. Rester, Jeanne C. Slade, Darryl M. Smith, Linda L. Vaughan, Krista K. Wade, Nicole A. Wells.

THE MAKING

RTS

SPORTS 1990-91

The 1990-91 Sports Wildcats—football, men's and women's basketball, baseball, and intramural athletes—make up the Magic Makers of Sports. The athletes make up some of the hardest working groups on Pearl River's campus. Each year this special group exemplifies the spirit of the River.

As always, each team has its own records to break. This year the Wildcats set as a goal, as in each year, to make the year a better one than the previous year. Having this as a goal, the Wildcats, both players and coaches, knew that the work would be much harder than the year before.

The Wildcats worked twice as hard to set new records and to make others proud of their achievements. Each team analyzed what it would take to do this and sought to do it. The 1990 Football 'Cats strove to set a better record than the previous year of 5-5 and they did. They finished the season with 8 victories and 2 defeats (Hinds and Copiah-Lincoln).

The Men's basketball team hoped to do better this year than last year when they finished the regular season with 11 victories and 14 defeats.

However, the team posted an almost identical 11-13 record this year. The Lady Wildcats, who finished last year's regular season with 9 victories and 13 defeats, sought the same goal and ended the season with a much improved 17-8 record.

As usual our baseball team wanted to make it a year resulting in the state playoffs and possibly the state championship. Let us not forget those intramural athletes who each year find competition a bit stiffer than the last year.

Although each team plays a different sport, at the end of the year each team's magic-making efforts deserve a banner that says, "Well done, Wildcats!"

1990 WILDCATS

The 1990-91 Wildcat team is one that shows some of the school's most school-spirited teams. Each year a set number of players are chosen to play on the Wildcat football team. These 55 players come from various high schools within Pearl River's district while others come from different parts of Louisiana. Aside from being a new year for these players, this was a new season of more practice, more physical fitness, or just harder work in general. The team started the season in the summer with a long workout to keep them in shape physically as well as on the field. Learning new techniques, the Wildcats were able to create a little more magic than the previous year by giving us more victories and less defeats. This year, we wanted to recognize each of the players individually and let everyone know who was behind that magic-making team.

GAME REPORTS: NORTHWEST JONES

NORTHWEST

In the preseason poll of coaches, Northwest ranked no. 3. In the Mississippi North Division, the defending State Champions ranked no. 1. Yet with all this honor and prestige behind them they could not defeat the Pearl River Wildcats. Northwest took a 7-0 lead in the first quarter with a 19-yard pass from Kevin Simmons to Gary Miller and a PAT kick from Stephen Coker. PRC came back to tie the game 7-7 as Michael Toefield scored a touchdown on a 3-yard run set up by Greg Grandison's interception and Rene Suarez kicked the extra point.

In the second quarter PRC took the lead making the score 13-7 as Michael Toefield scored from 1-yard out. The extra point kick was no good. In the fourth quarter, Northwest went ahead scoring on a 1-yard run. Reginald Austin, who returned the punt, made his way into the end zone but was ruled out of play at the 13. The Cats tried then to pull their score up by a field goal but the kick failed. Rene Suarez then kicked a 34-yard field goal that put PRC in the lead by 16-14. Northwest tried to come back but lost 3 yards on the third down when they took over inside their own 20-yard line and then moved to Pearl River's 20. Northwest lost by a foiled 39-yard field goal attempt and PRC won by 2 points.

Other game highlights include 14 tackles made by Greg Touchstone, 10 tackles and one assist by Lateef Travis, 8 tackles and one assist by Roy Wayne Jones and 7 tackles each for Terry Moore and Ray Wilson; field goal attempts blocked by both Dennis Clayton and James McGowan; and five passes for 66 yards by Cedric Anderson and four passes for 27 yards by Reginald Austin. PRC gave up 430 yards to Northwest.

JONES

The Annual 'Cat fight resulted in a 20-13 win by PRC over the Jones Bobcats. Jones' Bobcats were aggressively defensive but not enough to defeat the Pearl River Wildcats. Many times both teams had the chance to score but as the Wildcats' head coach stated, the Wildcats were "victimized by sloppy play."

In the first quarter, Mel Hackbarth hit Cedric Anderson with a six-yard touchdown strike, capping an eight play, 46-yard drive. Rene Suarez kicked the PAT which failed. All of this was done with a minimum time remaining in the first quarter of 1:16. The score now stood at 6-0 and would remain that way for the remainder of the first quarter and throughout the second quarter.

In the third quarter, Mel Hackbarth threw a pass that was intercepted by Harold Perkins of the Jones' Bobcats. Perkins ran the interception out from 48 yards and Kevin Pruett kicked the PAT, giving the Bobcats the lead of 7-6 with only 8:40 left in the period. Eight minutes and forty seconds was enough for the Wildcats to do their thing. As a matter of fact, one minute was enough for them to do it. Less than one minute later, Michael Toefield rushed 113 yards on 20 carries (151 yards on 32 carries in the total game) swept left and ran 56-yards for a touchdown. PRC led 12-7 after the two-point conversion failed. With 7:52 left in the game, Jones was able to come back. With 1:10 left, Bobcats' Kenny Jordan was able to score from the 1-yard line giving the Bobcats the lead of 13-12.

The final period gave the Wildcats a chance to retaliate. With 15 seconds into the quarter, Terry Moore took a Jones pass at the Bobcats' 17 and returned it for a touchdown. Michael Toefield got the 2-point conversion giving PRC the win, 20-13.

EAST MISSISSIPPI HINDS

EAST MISSISSIPPI

While the Pearl River Community College Wildcats defeated the East Mississippi Lions 12-7, they lost their starting quarterback Mel Hackbarth due to a broken wrist for the remainder of the season.

In the first quarter, Mel Hackbarth and Reginald Austin connected for an eighty-yard touchdown that put the Wildcats into the lead, 6-0. The PAT failed. Hackbarth's eighty-yard connection to Austin was the fifth longest pass completion in the history of the Wildcat football games, the longest being an eighty-six yard pass from Mike Magee to Robert Hudson in 1975 against Copiah-Lincoln.

In the second quarter, East Mississippi was able to regain themselves and gain the lead 7-6 with a pass from their quarterback, Tommy Moore, 33 yards out to Fred Ward in the end zone and from a kick made by Andy Murray. With a new quarterback in for Hackbarth, the Wildcats were able to raise their score. The new quarterback, freshman Tim Briotte, scored a touchdown from 3 yards out after the Wildcats had driven 42 yards in seven plays. The pass for the two-point conversion failed, but the Wildcats still won with a score of 12-7. This victory gave the Wildcats their third consecutive win for the season.

US: 12 THEM: 7

HINDS

The Wildcats suffered their first loss of the season when they were defeated by the Hinds Community College Eagles 24-9 in Raymond. In the first quarter of the game, Hinds Eagles scored first on a 32-yard field goal by Charlie McGinn. The score stood at 3-0. PRC did not get their first scoring drive until the second quarter.

In the second quarter of the game, PRC recovered a Hinds fumble on the Eagles 34-yard line. Rene Suarez kicked a 21-yard field goal. The score was now tied 3-3 with 9:50 left. Hinds' punt to the PRC players was fumbled and the Eagles recovered the ball at the 18-yard line. One play later, Hinds player Vincent Lee tipped the ball to Albert Sweet for his first touchdown catch with 11 seconds left in the second quarter. Next, Troy Nelson, hit Sweet for a second touchdown. The PAT made it and Hinds' score jumped to 17-3 at the half.

In the third quarter, PRC fumbled and Hinds recovered on the 'Cats' 33-yard line. Three plays later, Vincent Lee ran 19-yards to score. McGinn kicked the PAT, giving Hinds the lead 24-3. The last quarter gave PRC their final score. Colby Stewart passed the ball 69 yards to Lloyd Dedeaux who then scored a touchdown. The two-point conversion failed. Hinds went on to win the game 24-9.

The Wildcats' record then stood at 3-1, while Hinds kept their perfect record of 4-0. Hinds gained the first place in the South Division and PRC was ranked at number two.

PERK

A victory for us and a defeat for Gulf Coast Community College! The PRC Wildcats defeated the GCCC (Perk) Bulldogs 27-0. The Wildcats' victory helped to improve their record to 5-1 overall and 2-1 in the South Division.

In the game, the Wildcats were able to pile up 383 total yards with 321 on the ground. With this defeat, GCCC dropped to 1-4-1 overall and 1-2 in the division. This 1990-91 victory marks the fourth consecutive win in the rivalry with GCCC. Not only does it mark the four consecutive wins, but also it marks the largest margin of victory (27-0) since the 1969 win of 35-0.

The 'Cats played a wild game limiting the Bulldogs to only 153 total yards the whole game. Assistant defensive coaches, Bill Martin and Mike Humphreys, set the Wildcats' defense up to do such a great job with stopping the Bulldogs from gaining any more yardage than they did. This game marked the first shutout of the season and the fifteenth in the series in which the 'Cats led 36-22-1.

GAME REPORTS: ITAWAMBA HOLMES

ITAWAMBA

The Pearl River Community College Wildcats began their victory streak again with the win, 24-17, over the Itawamba Indians at Dobie Holden Stadium. In the non-division game, PRCC opened up the game with a touchdown by Reginald Austin as a pass by Tim Briotte tipped it off. The 13-yard touchdown pass and Rene Suarez's PAT gave the Wildcats a score of 7-0 in the first quarter.

In the second quarter, Michael Toefield scored on an 11-yard run and Rene Suarez kicked the PAT giving the Wildcats a lead of 14-0. With 34 seconds left in the second quarter, the Itawamba Indians scored from an 11-yard touchdown pass from Eric Spann to Reggie Dwight. In the third quarter, Itawamba tied the score as Indian Corey Philpot ran 40 yards for a touchdown and Henry Daniels' added the PAT. The score was now 14-14.

With 14:56 left in the third quarter, Michael Fornea, a backup kicker for PRC, made a 22-yard field goal that raised PRC's score to 17-14.

Daniels could not stand it. Within minutes, Daniels kicked a field goal tying the score 17-17 with 5:27 left to play in the game. Within the third quarter, the game was stopped for 16 minutes due to the power failure of the lights in half of the stadium. With 5:27 of the fourth quarter remaining, PRC again set a mark on the scoreboard. Michael Toefield raced 72 yards for a touchdown to break the tie giving PRC its final score of 24-17.

PRC finished the game with total yardage of 339 over Itawamba's, 246. Tim Briotte completed 8 of 20 passes for 133 yards and one interception.

HOLMES

The Pearl River Community College Wildcats kept the Holmes Bulldogs from scoring from the one-inch line to preserve a victory. Roy Waynes Jones, Dennis Clayton, and Wydell Jones sealed off from underneath as Lance Taylor and Wallace Clark stopped the Bulldog quarterback from going over the top.

Holmes had a first and goal from the PRC four-yard line with three minutes remaining in the game. Coach Bill Martin, the Wildcats' defensive coach/coordinator said that it may have been the best goal-line stand he had ever seen. Also Coach Martin stated that there was no doubt that the entire surge sent the Bulldogs backwards.

In the game, PRC got on the scoreboard first when offensive tackle Kirk Champagne recovered a Michael Toefield fumble in the end zone. Rene Suarez kicked the point after and PRC led 7-0 with 10:04 to go in the first period.

Holmes' Trent Woidike kicked a 28-yard field goal, his first of three on the night, to cut the lead to 7-3 with the Wildcats on top. Seconds before the half ended, PRC struck again as quarterback Tim Birotte connected with Jody Watkins from 48 yards out. The Wildcats defeated Holmes 20-16.

US: 20 THEM: 16

EAST CENTRAL

While the Pearl River Community College Wildcats defeated the East Central Warriors, the defeat was actually a very tough one. The Wildcats used the second quarter to overcome the Warriors.

East Central scored first on a four-yard run by Sammie Holified. The touchdown capped a 12-play, 89-yard drive. Pete Porter kicked the point-after.

The Warriors tried for another score when they recovered the ball at the PRC seven due to a fumble. Yet the Wildcats did not let it happen. Three plays later the Wildcats knocked the ball loose and took over at their own two. Running back Michael Toefield, facing a third and five from the seven, took off on an 86-yard run to the East Central six. Tim Birotte then found Jody Watkins in the end zone for six points. Rene Suarez kicked the PAT.

With only seven seconds left in the half, the Wildcats took the lead on a three-yard pass from Birotte to Curtis Vickers. The touchdown was set up by a 54-yard pass from Birotte to Reginald Austin. Suarez's kick gave the 'Cats 14 to the Warriors' 7 at the half.

In the second half, Michael Fornea kicked a 27-yard field goal to put the 'Cats up 17-7 with 11:11 to go in the game. East Central then scored again giving them their final score of 13 while PRC had 17 — the winning points.

COPIAH-LINCOLN

Pearl River Community College opened its season with a victory, but unfortunately ended it with a defeat. The loss to Copiah-Lincoln did not mean just the loss of one game, but it also meant the loss of the South division title. While Copiah-Lincoln gained the division championship, the Wildcats finished the season with a record of 8-2 and fell third behind Hinds in the South division.

In the first quarter of the game, the Co-Lin Wolves scored first on Greg Scoggins 44-yard field goal. It was now PRC's time to score. Reginald Austin received a 21 yard pass from Tim Briotte to give the Wildcats a 6-3 lead in the second quarter.

In the second quarter, along with the 21-yard pass-play score, PRC kicked the PAT but it was no good. Co-Lin began to take its toll. With a 39-yard touchdown by Gary Floyd and a 22-yard field goal by Scoggins, the Wolves led 14-6 by halftime.

After halftime, into the third quarter, the Wolves gave the PRC Wildcats no slack. The Wolves' quarterback, James Davis, hit Roger Ogden from 48 yards on the first play from scrimmage for a 21-6 Co-Lin lead. Later in the third quarter, Co-Lin scored again when Lawrence Green intercepted Briotte's pass giving Co-Lin a first down. From the scrimmage line Co-Lin Wolf Tim Fuller made a 38-yard run that gave the Wolves 28 to PRC's 6.

The fourth and final quarter began with an early score by Co-Lin when Wildcat Mel Hackbarth's pass was tipped by Co-Lin's Steve Sessions and he returned it 41-yards for a touchdown. Pearl River scored its final points when Colby Stewart connected with Lloyd Dedeaux on a six-yard pass. Tracy Bullock ran for the two point conversion.

SOUTHWEST

Pearl River Community College, on October 27, 1990, took on the Southwest Bears in a Homecoming game and defeated them by a score of 38 to 27. The Wildcats upped their record to 8-1 overall and 4-1 in the South Division. Although the Wildcats defeated the Bears, it was not an easy victory.

In the first quarter, the first team to get on the board was the Wildcats. Cedric Anderson rambled 22 yards for a touchdown, giving PRC its first score 7-0. In that same quarter, Anderson scored again but this time from five yards out when the Wildcats gained possession of the ball. The score was now 14-0, PRC leading.

In the second quarter, the Bears were able to up their score to 14. The Wildcats took a 21-14 lead late in the second quarter when Tim Briotte threw an 80-yard pass to Reginald Austin who caught the ball at Southwest's 26 and ran to the end zone out-running Southwest's Richard Graham. Yet, the Bears did not let PRC get ahead. They came right back with a scoring drive before the half.

In the third quarter, the Wildcats took the lead for good when Tim Briotte scored a touchdown from two yards out. Rene Suarez's PAT was good and PRC led 28-21. The final touchdown of the night was scored by James Lewis' 13-yard run. Suarez kicked the PAT for a 35-21 advantage.

In the final quarter, along with the final touchdown, Michael Fornea added a 27-yard field goal giving PRC the win, 38-27.

HONORS AND AWARDS

On Saturday, December 1, Pearl River Community College was well represented in the 1990 Mississippi Junior and Community College All-Star Classic football game held at Northeast Mississippi Community College's Keenum Stadium. Pearl River's head coach, Mike Nelson, and his staff led the south as Miss. Delta Community College coach James Gray and his staff directed the north. Each college finished 3rd in its division.

At this annual event held at Booneville, Pearl River had six players named to the south's team. Each community college, except state champions Itawamba, was represented on the 33-player roster. Pearl River was represented by slot backs Cedric Anderson and Jody Watkins, wide receiver Reginald Austin, offensive linemen Kirk Champagne and Jackson Hall, and running back Michael Toefield.

Each year, members of the team are chosen for honors and awards. Michael Toefield, a wildcat record-setting running back, who scored 44 points, rushed 895 and averaged 4.8 yards per carry, was selected Most Valuable Player in the South Division by the Mississippi Association of Community and Junior Colleges. He was chosen for the First Team All-State and named to the All-Region 23 team by the National Association of Community and Junior Colleges.

Roy Wayne Jones, a defensive-end are recorded 67 tackles and 52 assists during his eight games was also named to All-State and All-Region 23. Kirk Champagne, an offensive tackle, was named to the first team All-State.

The second team All-State consisted of Jackson Hall and Floyd Cagins who recorded seven interceptions during the year. The All-State honorable mentions included quarterback Mel Hackbarth, wing-back Cedric Anderson, tight-end Jody Watkins, defensive back Andra Averette, linebacker Greg Touchstone, defensive tackle Wallace Clark, and defensive end Lance Taylor.

1990-91 WILDCAT BASKETBALL

The thirteen players that make up the 1990-91 Men Basketball team have before them another season of hard work. Last year, the 1989-90 Wildcats finished the season with a 9-17 overall record and a 3-9 South Division mark.

The Wildcats are expected to return bigger and better. The Wildcats, with the assistance of their coach, Peter Georgian, and the basketball managers, have worked extremely hard to do much better than the previous year. Although some of the players, as in all cases each year, have gone, the team has worked hard to make up for the loss. The players lost from last year's team included Raymond Nash, a 6-6 sophomore forward from Sorrento, La., who averaged 17 points per game; Gary Johnson, a 5-8 freshman guard from Hattiesburg, Miss. who averaged 3.2 points per game; and Horace Washington, a 6-2 sophomore guard from Covington, La., who averaged 8 points per game.

Returning to the Wildcat team are Porter Wilks of Columbia, Kindall Leggett of Hattiesburg, and Garnet Wilson of Kingston, Jamaica, West Indies. These players will be a tremendous help in leading the new players on the team. New players include Patrick Gray, Gerald Toler, Brian Jones, Melvin Henry, Sebastian Patt, Stephon Mason, Jimmy Coates, Gerald Irving, Lawrence Parker, and Andra Powell.

The Pearl River Community College Wildcats have had an exciting season. The Wildcats have worked very hard.

Some of the Wildcats' toughest opponents included the Southwest Community College Bears. Although hard to play, the Wildcats defeated them 52-45.

They also played 17th ranked Gulf Coast Community College Bulldogs who defeated them 89-71. This kept the Bulldogs' standing the the top 20 and the Wildcats' record evened out at 10-10. In this game, the top players included Gerald Irving who led the Wildcats with 19 points, Stephon Mason with 18 points, and Garnet Wilson with 12 points.

Other games that were played during the regular Wildcat season included North division for East Mississippi, East Central, and Jones Junior Colleges. The Wildcats hosted the South Division Tournament this year.

1990-91 LADY WILDCAT BASKETBALL

The Lady Wildcat Basketball team consisted of twelve players. Six of those players are returning lettermen. With a team of six returning lettermen and six newcomers, the Lady Wildcats are expecting a good season.

Returning to the team were starters Sandy Bryan, a 5-6$^1/_2$ sophomore guard from Winnsboro, LA; Melissa Adams, a 5-6 sophomore guard from Hattiesburg, MS; and Wendy Palmer, a 5-7$^1/_2$ sophomore guard from Carriere, MS. Also returning to the team were letterman Michelle Young, a 6-1$^1/_2$ sophomore forward/center from Suffolk, England; Wendy Clark, a 5-6$^1/_2$ sophomore guard/forward from Winnsboro, LA; and Tonjala Pittman, a 5-7$^1/_2$ sophomore from Sandy Hook, MS.

Lettermen lost from last year's team included Charzes Silas, All-American averaging 29.3 points per game and 9.5 rebounds; Millie Wilks, a 5-11 sophomore small forward from Columbia, MS; Gwen Stringer, a 5-7 sophomore guard from Prentiss, MS; and Sharon Maxwell, a 5-7 sophomore guard from Brooklyn, MS. Although not a letterman, Edith Pedescleaux will be returning to the team after being injured in the fourth game of last year's season.

Newcomers to the team included Sabrina Youngblood of Lumberton, MS; Gwen Herrin of Pearl River, LA; Charlotte Humbles of Hattiesburg, MS; Karen Dahmer of Hattiesburg, MS; and Kristi Mitchell of Picayune.

The Lady Wildcats proved to be one of the best teams all around. Their constant training and hard work really paid off. The Lady Wildcats defeated some of their greatest rivals.

The Lady Wildcats defeated Southwest and were led by Edith Pedescleaux with 24 points and Sabrina Youngblood with 12 points. The Lady 'Cats also defeated Clarke Community College.

A victory over Gulf Coast gave the Wildcats their third consecutive win. In this game, Sabrina Youngblood scored 24, Edith Pedescleaux, 16; and Wendy Palmer and Sandy Bryan each scored 13.

Other games for the season included North division foe East Mississippi, East Central, and rival Jones Junior College. The Lady 'Cats finished the season with an overall record of 17-8 and a division record of 6-6.

Wildcats finish Number Two in the state

The Pearl River Community College baseball Wildcats earned a second place finish in the South Division this year and then upended Delta and rival Gulf Coast to play for the state championship.

Delta, however, eased by the 'Cats on a Sunday afternoon in Biloxi, to claim the overall state title. The Wildcats finished second in the state.

A week later PRC entered the National Community College Region 23 play ranked number two behind Delta. On opening day the Wildcats were defeated by host Meridian 4-3.

A day later Delta eased by the Wildcats 6-5 in the ninth inning. "We came so close this year," said Jim Nightengale, the Wildcat coach, who has led his team to four straight state playoffs.

The Wildcats were 25-12 in 1988, 28-16 in 1989, 22-17 in 1990 and 28-18 in 1991. The 1989 team was also runner-up in the state and played in the Region 23 national tournament.

Since 1981 the Wildcats have won 318 games, lost 167 and tied 1.

Each year, those students not involved in college team sports such as the Wildcat football, basketball, baseball and Lady Wildcat basketball teams are able to join in another type of sport. These sports are the intramural sports. Such sports allow those who do not participate in college teams to keep up their skills.

The intramural sports are played each semester to allow the returning students and the new students chances at the games. These sports include card games, tennis, darts, basketball, volleyball, ping pong, flag football, 8-ball pool, and even video game competition.

Winners are awarded t-shirts, plaques, or trophies. Intramural sports are supervised by Coach Harvey Seligman.

A Final Glimpse

The year in sports began with Wildcat magic in the making. Now at the close of the sports season, that Wildcat magic has been made and has its position in the world of Pearl River Community College sports. All the seasons went well for the participating athletes. The Wildcats Football team finished the season with an overall record of 8-2. Within that season, they were defeated by Hinds and Copiah-Lincoln. The Wildcats finished the season in third place in the South division. They tied with both Copiah-Lincoln and Hinds for third place for overall best record. The Wildcats finished fifth in team defense and eighth in total offense of fourteen teams. The Wildcat Basketball team finished the season with an overall record of 11-12 and a division record of 2-10. They were able to advance to the South division tournament. Their lost to East Central by three points, 68-65, cost them an opportunity to advance further in the tournament. The Lady Wildcats finished their regular season 16-8. They advanced to the second round of the South division tournament by defeating East Central by one point, 71-70 but were defeated by Copiah-Lincoln 71-57. Their overall record was 17-8 with a division record of 6-6. The Wildcat Baseball Team began its season early in the spring season but did not finish its season as of time of publication. We were able to highlight some of their action for the first game.

Prayer Breakfast Held For Troop

The Pearl River Community College Student Government Association and the Phi Theta Kappa sponsored a prayer breakfast Friday, February 15, 1991, in the college cafeteria.

The program was to show support for the United States troops in the Middle East.

According to Dow Ford, PRC's director of admissions, about 25 students withdrew from classes during the 1990 fall semester to join American forces in Operation Desert Storm.

At the top right, PRC's president, Dr. Ted J. Alexander, spoke about supporting the troops in the Middle East. To the right, students listened to the different speeches. On the opposite page, students & faculty gathered with their American flags.

PRC MASCOT

Chris Lott won the right to be PRC's mascot, W. C. Rivers. He interviewed and performed a coordinated routine thus winning, not only the right to be the mascot, but also a full scholarship.

Highlights of the year for W.C. Rivers included catching the homecoming game football as it was parachuted down to the field at Dobie Holden stadium. He also performed memorably at other events including a birthday party for Coach Georgian's son.

"Children respond to him," said cheerleader sponsor, Mrs. Hammill. "The magic fantasy of W.C. Rivers is important to the children that he sees."

Chris trained for the position at the Universal Cheerleading Association camp at Middle Tennessee State University in Murfreesboro. He trained there with other mascots and, according to Mrs. Hammill, did a real good job.

Chris, a freshman from Poplarville, said he sought the job because he thought it would be fun and exciting. He has enjoyed meeting new people and showing his school spirit.

B.S.U. Sponsored Illusion Show

By Kara Moore

The B.S.U. sponsored "Illusions and Reality", a program that featured the award winning-illusionist, Lou Leventhal, on January 22, 1991 in Moody Hall. "This highly entertaining program has captivated audiences from coast to coast and abroad with its baffling illusions, live animals, audience participation, original music, infectious humor, and inspiring Christian message."

Lou captivated his audience with card tricks, levitation and guillotine illusions, and the "escape from the sealed box" feat, along with other fascinating animal tricks. He said his favorite audience is the college group because they are at a major decision-making point in life. He wants them to realize that the most important thing is to have a personal relationship with Christ; stressing that "If I can fool them using natural means, imagine how Satan could fool them with supernatural means."

As he explained his illusions to the audience, Lou took that opportunity to give his personal testimony. Referring to a hollow egg from which he had just pulled a black silk scarf, he said, "People are like this hollowed-out porcelain egg until Jesus comes into their lives and fills them; then they become a real egg." He then cracked the egg and poured it into a glass, showing its genuineness.

After his conversion from Judaism 13 1/2 years ago, Lou found that his childhood talent was his most effective way of witnessing to others about Christ. Martha, his wife, has performed with him for the past 6 1/2 years. Lou, Martha, and their five month-old baby, Joshua, travel mostly by truck, which is great, Lou said, because "we are able to spend so much time together as a family." He plans, in the future, to start and pastor a church on the southern west coast.

Kara Moore's Story

Thirteen years of my life were spent on a little island halfway across the world. My family went to the Philippines, Negro Island in particular, as missionaries when I was four years old. My father, Doyle Moore, felt led to start a Bible college to prepare men and women for service in the church. The Baptist Missionary Association Bible College, accredited by the Philippine Association of Bible and Theological Seminaries, was constructed in November, 1976. His ministry's goal is to train the nationals to eventually take over the ministry and to continue it without a missionary supervisor. Rev. Moore is the college's president and academic dean.

Linda Moore, my mother, teaches music at the Bible College. Recently, she was instrumental in getting the UNICEF (United Nations Children's Fund) feeding program started which lasted for four years in the church. She served as coordinator of the feeding program and was recognized for her volunteer

work by the president of the Philippines, Cory Aquino. At the request of the city mayor, she also served as chairman of the Street Children's Program.

My sisters, Rebecca and Rachel, who are twins, are sixteen years old and attend high school at Trinity Christian School. I am enrolled at PRC in my freshman year. In addition to three daughters, Doyle and Linda have also fostered two Filipina girls, 16 year-old Aileen Rabago and Myena "Nonsy" Kiper. Aileen lives with the Moores and they are her legal guardians. Myen is married to Douglas Kiper and lives in San Diego, California, with her two children, Stephanie and Doug Jr.

Our family has survived many hardships such as hurricanes, a robbery, illness, and even some coup d'e-tats, with God's loving guidance and protection. We have all learned to adapt to the different languages and customs and have benefited greatly from our experiences.

Bench Time

Benches were located in various places on Pearl River's campus. They served many purposes as shown in the following pictures. Some students used them as a place to do some last minute studying, while others used the benches for relaxation.

To the right, Pat Yates, a freshman from Lumberton, used a bench to study her sociology notes, while two students on the opposite page used the benches for relaxing after lunch. Many commuters also found the benches to be useful while waiting on the buses in the evenings.

1990 Spring Highlights

The purpose of the spring section is to highlight the events that took place after the delivery of the 1990 Wildcat. Some of these events are on the following pages.

To the right, two Pearl River students prepared for the three-legged race in the Anything Goes. Below are the members who participated in the ribbon cutting ceremony for the Science building.

To the left, guests at the third annual River Extravaganza looked over the many dishes offered from the various places. The Extravaganza netted $26,000 for the college. In the middle picture, PRC students enjoyed the crawfish boil held during the spring. At the bottom left is a scene from the play "Once Upon a Mattress", which was performed by students from Pearl River. The play ran three different nights, with dinner being served two of those nights.

Spring Awards

More than 60 students were recognized for the accomplishments at Pearl River Community College's 1990 awards day ceremonies.

PRC's graduation has unique element

For the third straight year, Pearl River Community College's graduation exercises featured an element unique to the school.

The graduation speakers were all graduating students, representing the school's three areas of education — academic, technical and vocational.

Maja Gruelich of Picayune represented the academic program, while Alma Herrington of Poplarville represented the technical division and James Ladner of Picayune spoke for the vocational department.

Dr. Ted J. Alexander, PRC's president, began the program three years ago, explaining there were none better to explain what graduation from PRC meant to its students, than the students themselves.

The three were among 516 students who applied for graduation in the spring. In addition to awarding diplomas, the school took the time to recognize 13 students who maintained a 4.0 grade point average during their studies at PRC, and recognized Mrs. Kathryn Moody, past president of PRC's Board of Trustees.

Above, graduates listen to Dr. Ted J. Alexander's speech. On the right are some of the nursing students who participated in the pinning ceremony before graduation.

"Pearl River Community College has given, not only myself, but every other student, an opportunity, and the ability to achieve."
—Maja Gruelich

"Follow your dreams, for without dreams there is no hope and without hope there is no future!"
—Alma Herrington

"I've put in a lot, but I believe that Pearl River has given me much more in return."
—James Ladner

Editor's Closing

It is hard to believe my time at "the River" is almost at an end. I came to PRCC on a journalism scholarship to major in elementary education.

I thought it would be nice to get involved in an extracurricular activity and since I was an editor for my high school annual, I chose the yearbook staff. I never dreamed that it would turn out like it has. One semester after I arrived, I was named Editor and have held the position since then. I can't say it has all been great, because at times it wasn't. The deadlines we were working on the night before they were due to be sent in weren't what I would call great, that was the rough parts. My staff and I have worked really hard to prepare a better yearbook for the students at Pearl River. We sincerely hope you all enjoy it.

On behalf of the staff, I would like to apologize for our errors that we made throughout the yearbook. It's not an easy job typing every letter correct, identifying every picture and putting it all together correctly.

I would like to thank my staff for their time and efforts. First of all, I would like to thank Julie Bounds and Fred Corder. Fred and Julie were my dark room workers. If it weren't for them, we would not have gotten very far without the negatives and pictures. Virginia Aborom deserves a lot of credit for the work she did on the sports section and index. Tamie O'Berry also did a nice job with helping me put together the organization section. A lot of thanks goes out to Fara Bailey for assisting me whenever possible. I would also like to thank all the other students who contributed their help who weren't on the staff.

I would like to thank my advisors that I have had at Pearl River, James Stewart and Muriel Everton. Also I would like to thank one other person for giving me the opportunity to work on the yearbook and for his help in guiding me along the way. Thank you, Mr. Larry Stanford, and best of luck with the Wildcat Staff of 1992.
